Dear colleagues,

the Faculty of Social Sciences of the UCM in Trnava in cooperation with OZ FSV UCM would like to invite you to a conference of young scientific researchers, organized by doctorates of the Faculty of Social Sciences UCM in Trnava, under the aegis of the Dean, as part of the Week of Science and Technology 2017.

The conference **Social Sciences from a Perspective of Young Scientific Researchers II.** will take place on **7th – 8th November 2017** on the premises of the Faculty of Social Sciences of the UCM in Trnava. The conference is intended for all doctorates and young scientific researchers active in scientific research. The languages of the proceedings will be Slovak, Czech and English.

The conference consists of three thematic panels:

Social policy in a current global environment

European Union at a time of crisis, reassessment and future scenarios for the EU

Current challenges and functioning of public administration in Slovakia

The application for the conference needs to be sent until **15th October 2017** through the [registration form](#). All further details and important information can be found in the annex and also on our web page www.fsvucm.sk. In case of any questions, do not hesitate to contact us by email: konferenciasocialnevedy@gmail.com.

Conference fee: The fee for participating in the conference is 40 €. The fee needs to be paid until 15th October 2017 by a bank transfer to an account number: SK15 5600 0000 0011 8293 8001. Bank: Prima banka Slovensko, a. s. SWIFT code KOMASK2X, account name: OZ FSV UCM. In the information for beneficiary, please state "Conference FSV + your first name, surname and institution". The fee contains a proceedings publication, refreshments and a social evening.

We believe that together we will contribute towards an extension of discussion and a state of research in topical subjects and we are looking forward to your participation!
